WARRANT FOR TOWN MEETING
STATE OF NEW HAMPSHIRE

GRAFTON S. S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield qualified to vote in Town Affairs.

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the tenth day of March next at ten o'clock in the forenoon, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight-thirty P.M. Articles in Warrant will be taken up beginning at seven P.M.

ARTICLE 1. To choose by ballot to serve for three years, one Selectman, one Library Trustee, one Trustee of Trust Funds, one Fire Ward, two members of the Recreation Commission; to serve for two years, one Auditor; to serve for one year, one Tax Collector, one Overseer of Public Welfare, one Highway Agent, one Cemetery Agent.

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, the sums so borrowed to be repaid before the end of the fiscal year in which the debt was incurred.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to sell or lease any or all such parcels of real estate acquired by the Town through Tax Collectors deed for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver, in the name of the Town, suitable deeds or leases of such real estate, subject to such conditions or restrictions as may be voted by the Meeting.

ARTICLE 4. To see if the Town will vote that if the purposes or objects, hereinafter designated, for which appropriations for the year 1970 may have been made, have not been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such object, shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen, acting as Agents of the Town, shall have the opportunity or occasion for the fulfilling or completion of the purpose or objects for which said appropriation was created.

The specially designated purposes are as follows: that net earnings of town owned equipment derived from highway appropriations, also Police Cruiser, Civil Defense and George Pond Dam appropriations, if any.

ARTICLE 5. To see if the Town will vote to raise the sum of \$1,349.67 for Town Road Aid, and to receive the sum of \$8,997.81 from the State.

ARTICLE 6. To see if the Town will vote to construct a sewerage system for the collection of domestic and industrial wastes. The system to include the necessary facilities to transport wastes to a point where they will be picked up by the proposed collection system to be installed in the City of Lebanon.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to appoint a sewer study Committee, and empower this Committee to meet with legal representatives of the City of Lebanon for the purpose of preparing an agreement whereby the City would intercept and treat the domestic and industrial wastes from the Town of Enfield

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$4,500.00 to pay expenses of the Sewer Study Committee, engineering services, legal services and other expenses in connection with the proposed sewage system.

ARTICLE 9. To see if the Town of Enfield will vote to authorize the Board of Selectmen to purchase a suitable gasoline pump, storage tanks and compressor to be installed at the Town Highway Shed at a cost of approximately \$1,500, in order that the Town may purchase its gasoline requirements through the State contract at much lower prices.

ARTICLE 10. To see if the Town will vote to accept from Baltic Woolen Mills, Inc., as a gift, a deed to the property known as the Grist Mill or the Dusting Mill on Main Street.

ARTICLE 11. To see if the Town will vote to adopt the budget and raise and appropriate the various sums recommended and posted by the Budget Committee, or act thereon.

ARTICLE 12. To see if the Town of Enfield will vote to have the Town Cemetery Agent appointed by the Selectmen annually beginning with the year 1971, instead of being elected at Town Meeting.

ARTICLE 13. To see if the Town of Enfield wishes to exclude from its Old Age Survivors & Disability Insurance plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such service is less than Fifty dollars (\$50.00)

ARTICLE 14. To see if the Town of Enfield will vote to abolish the Taxpayers List of Properties and Assessments now being reissued every third calendar year.

ARTICLE 15. To hear the reports of agents, auditors, committees or any other officers heretofore chosen and pass any vote relating thereto.

REPORT OF THE
ENFIELD PUBLIC LIBRARY
1969

The Circulation of books was approximately 6000, plus 450 periodicals and 100 records. Records for reference use of the Library will be kept for the first time in 1970 because although there has been less leisure reading, the use of the Library for informational and reference work by both students and adults has greatly increased. Both the Trustees and Library staff believe that this is the most important value which the Library has for the community.

Story hours and film programs for the younger children have been held on a once-a-month basis thruout the year. Some 500 new books have been added by purchase, including books on the currently popular subjects "bottle collecting", "pro-football", "Business investments" etc. Also a fine set of Audubon nature books, the McGraw-Hill encyclopedia of science and technology, a small but outstanding collection of records, a collection of paperbacks--modern classics and fiction, etc. We have been most generously remembered by gifts of books from Mrs. Harry Turner, Mrs. Leah Dunn, Mrs. Kenneth LaMott, Rev. Alan Cornelius, Mr. Michael Marchetti, Mrs. Marie Pizzuti and many others for which we are most grateful. We also received the notice of a bequest of \$2,500 by the will of Mrs. John Dole of Bristol, N.H. Over 1600 books have been borrowed thru the Bookmobile, the State Library and our Service center, the Howe Library at Hanover.

The various grades of the Elementary School with their teachers visited the Library at different times thru the month of September in order to become better acquainted with our book collection and how to make best use of the catalog, etc.

John Dunn, Chairman of the Board of Trustees, Mrs. Allen and Mrs. Carr attended various district meetings showing book exhibits, pre-screening of films, etc. Mrs. Carr also attended the 2-week Library course offered by New Hampshire University at Plymouth.

A tea was held in the Spring honoring Mrs. Amelia Malcy who was retiring as Trustee and welcoming Mrs. Josephine Clark who replaced her. An Open House was held in Whitney Hall in November in observance of Book Week with excellent attendance by local patrons, which included a program, exhibits and refreshments. A small additional storage room has been added at the back of the Library providing our workroom with greatly needed facilities for cataloging and processing books ready for circulation.

Again the Trustees and Library staff wish to thank all those who have in so many ways contributed to our Library service during this past year.

REPORT OF THE PLANNING BOARD

The Enfield Planning Board met on a regular basis during the past year. Although several town projects have been discussed it is important to note that for personal and business reasons three members resigned from the Board leaving the present participants to become re-established.

A major portion of our year was spent in conducting research for programs we hope will be adopted in future years. These projects included reviewing the possibilities of acquiring additional beach facilities, procuring and erecting street signs, and area planning and development.

We feel the ensuing year will find this Board acclimated and prepared to serve the town of Enfield and provide for its needs.

Respectfully submitted,

Forrest Aldrich

MASCOMA AREA HEALTH COUNCIL

May-December 1969

On May 5th our first Visiting Nurse, Mrs. Ellen Williams, R.N., began her duties at the Mascoma Area Health Office located in the Mascoma Valley Regional High School. During May and June she spent much time getting oriented to the job and to her patients. In July, through a government grant, we hired another part time Visiting Nurse, Mrs. Gertrude Clark, R.N. These two Nurses work one week on and one week off.

During the Month of July we became a certified Home Health Agency in the State of New Hampshire, of which we are very proud.

During the past months our agency has made 690 Home Health Visits. 293 of these visits were to patients 65 years old and over, many of whom cannot get out to see a physician. Also because of the Nursing Services available, many patients were able to be taken care of at home instead of going to a Nursing Home. In some instances hospitalizations were shortened because of our services.

During the Fall we held 3 consecutive immunization clinics from October through December. Total attendance for these clinics were 73 pre-school children.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your forest fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 A.M. and after 5:00 P.M.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same panalties as in (1) above.
4. For dropping inflammable material in or near wood-land maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Fires reported - State 453
- District 25.

UPPER VALLEY PLANNING AND DEVELOPMENT COUNCIL Review of Activities for 1969/70

Through authority vested in it by last year's Town Meetings, the Council began the preparation of an area-wide planning program for its participating towns. Its membership was increased to eight with the addition of Plainfield. As recommended through the scope of services proposed by the professional planning firm of Hans Klunder Associates, the new function of the Council will be provided through three basic committees; namely, Regional Planning, Non-Public Development and Inter-Community Development and Services.

In terms of economic activity, the scarce labor pool, lack of adequate housing and tight money market

restricted new industrial plant location, but sizeable building expansion was accomplished by both New Hampshire Industries in Lebanon and Shopping International in Norwich. For each dollar spent by the Council, there has been at least \$15.00 in annual payrolls generated by industries established in the area directly through the Council's efforts.

The Council applied for and was awarded a Federal grant in the amount of \$15,900 under the provisions of the Omnibus Crime and Safe Streets Act for a study and report by the International Association of Chiefs of Police on regional crime prevention and control in Hanover, Lebanon, Hartford and Norwich.

Through the efforts of the State of Vermont, the Council has applied for and is anticipating the award of a \$30,000. Federal grant from the Department of Housing and Development for area planning. These funds will be matched by \$15,000 from the Council.

Replacing Byron Hathorn who resigned in October to join the Quechee Lakes Corporation, the Council employed Charles D. McKinney as Executive Director. Mr. McKinney assumed his new responsibilities in mid-January. He has completed six years of college and has eleven years of regional and municipal planning experience in the St. Louis area.

During the coming year, the Council will give primary emphasis to organizing the area-wide planning program and preparing a long-range development plan for the Upper Valley area. Particular attention will be given to such elements as land use, transportation, recreation and open-space, solid waste disposal and fire safety. Such a regional plan will be a necessary requirement in the Upper Valley area for towns to receive state and federal grants and loans for public improvements and facilities.

In addition, the Council will, within the limitations of its budget and resources, assist and coordinate development activities, serve as a research agency and information clearinghouse, provide technical advisory services, assist local units of government with their plans and programs, establish a public information and education program.

REPORT OF THE RECREATION COMMISSION

The Recreation Commission wishes to thank the Enfield Boy Scouts for cleaning our beach and picnic area; also LaSalette Seminary for the use of their ski tow. Again this year we wish to acknowledge, with many thanks, the contribution of sports equipment from Dartmouth College.

Last January and February we had a large turn out for skiing at LaSalette. In the spring we had a short period of Saturday sports activities in the elementary school gym.

In June we had conferences with Mr. Wesley Lavin, 5th grade teacher, who was to be our summer recreation director. We sponsored Mr. Lavin at a recreation directors' workshop in June. Our summer program began early in July under Mr. Lavin's direction. He resigned after three weeks. We were very fortunate in obtaining Miss Donna Gaudette, a recent University of New Hampshire graduate, as our new director. The group went to Wadleigh State Park and took several field trips. Despite a shaky beginning, Miss Gaudette pulled things together and ended with a fairly successful season.

After meeting with the Selectmen and discussing the numerous difficulties we had encountered the previous summer, it was decided by the Recreation Commission to restrict Shakoma Beach to Enfield residents and their guests. Residents were asked to obtain permit stickers for their cars at the Selectmen's Office. Special police were hired during the busiest weekends to take care of parking. We felt this situation helped to alleviate the crowded conditions on the beach and also kept the picnic area and beach much cleaner than in previous years.

We did not have any fall and winter program in 1969 because we were unable to find anyone to direct it. We plan to have a summer program in 1970 with a competent director.

The entire commission wishes to thank the citizens of Enfield for their continued support.

REPORT OF THE BUILDING SITE COMMITTEE

The members of the Municipal Building Site Committee, appointed under the provisions of Article 7 of the 1969 Town of Enfield Warrant have met several times during the past year.

Whereas we have been primarily charged with the responsibility of finding a site for a new Municipal Building, it is the concensus of the Board that a consideration of the building type and size must be given if we are to select a suitable lot. It is our opinion that the building should be of a size that would accommodate the following:

1. Expanded Library and Historical Records Room.
2. Expanded Selectmen's office with room for a modern safe.
3. A combination Town Clerk-Tax Collector office.
4. Adequate bathrooms.
5. Boiler utility room and small kitchen
6. Small meeting and conference room.
7. Space for future police headquarters.

There may be State and Federal monies available to defray part of the cost of such a building. At present the Committee is doing some research in these areas and will report in full to the Selectmen.

In choosing sites we feel that the lot should have the following prerequisites:

1. Be large enough for adequate off-the-street parking to accommodate the patrons of the Municipal Building
2. Be centrally located in the more densely populated part of town.
3. Be easily serviced by sewer, water and power.
4. Be as near level as possible, but sloped enough to afford drainage.

We have examined several sites and have talked with the owners. Obviously divulgence of these sites would not be prudent at this time.

We recommend the following:

1. That the voters of the Town of Enfield direct the Building Site Committee, together with the Selectmen to take legal and proper option on a site or sites at their joint discretion.

2. That the Selectmen instruct the Trustees of Trust Funds to place all monies now collected into the highest interest yield potential available because of newer banking trends.

3. That the Selectmen also be instructed to appoint a Building Committee and empower them to engage a competent architect to draw plans for a new Municipal Building.
